

Bedrock

2023

<https://app.bedrocklearning.org>

# What is Bedrock

- An online programme for students to improve your literacy
- You will be focusing on VOCABULARY, GRAMMAR and SUBJECT SPECIFIC TERMINONOLGY
- Bedrock supports learners with the language and literacy knowledge they need to boost their educational outcomes

# How it works

- You will be completing vocabulary & grammar sections
- You have done your Alpha Tests to set what block students start with according to their level
- 2 lessons
  - 1 Grammar (20-30 Minutes)
    - 5 units
    - Pros extract
    - Videos to support tasks
    - Differentiated tasks
  - 1 Vocab (15-20 Minutes)
    - Pre & Post Test
    - 6 lessons in a bloc
- 20 points from the bedrock platform for 2 successful lessons

Successful lesson= 60%

Bedrock will stop you continuing once you have reached 60% in a session (day)

# What it looks like for you
