

Accounting

A Level

Entry Requirements

Grade 4 in GCSE Mathematics **and**

Grade 4 in GCSE English Language **or** GCSE English Literature

Course Overview

Achieving a qualification in Accounting will always be helpful for your future – whether it is used professionally or personally. The A Level course helps students to understand the responsibilities of the accountant and financial decisions makers and the impact of their recommendations on the business and wider environment.

Students will build knowledge and understanding of key concepts, principals and techniques that they can apply to real-life scenarios, developing the ability to solve problems logically, analyse data , methodically, make reasoned choices and communicate effectively.
