

Further Mathematics

A Level

Entry Requirements

Grade 8 in GCSE Mathematics **and**

Grade 4 in GCSE English Language **or** GCSE English Literature

Course Overview

Students who achieve at Grade 8 or 9 at GCSE Mathematics or achieved a Grade 7+ in GCSE Additional Mathematics should really be considering this course. Students must have already chosen or currently studying Level 3 Mathematics as it leads to developing, extending and furthering their understanding beyond the standard A Level Mathematics. As well as learning new areas of Pure Mathematics, students will study further applications of Mechanics, Statistics and /or Decision.

This is a challenging course but enjoyable for those students who love Mathematics.
